

Vaccination/Booster Policy

The University's COVID-19 vaccine mandate will no longer be in effect for faculty, staff, students, and visitors to the following schools/programs. However, we strongly encourage that everyone continue to follow CDC guidelines for COVID-19 vaccination which recommend that everyone be up to date with COVID-19 vaccines including booster doses, and to follow applicable guidance regarding masking.

- Azrieli Graduate School of Jewish Education and Administration
- Benjamin N. Cardozo School of Law
- Bernard Revel Graduate School of Jewish Studies
- Ferkauf Graduate School of Psychology online programs
- Katz School of Science and Health (excluding Health Science Programs)
- Stern College for Women
- Sy Syms School of Business
- Wurzweiler School of Social Work online programs
- Yeshiva College

Due to clinical placements, the following schools/programs will continue to require that students be fully vaccinated and have at least one booster dose:

- Ferkauf Graduate School of Psychology in-person programs/classes
- Katz School of Science and Health - Health Science Programs (e.g., Nursing, Occupational Therapy, Physician Assistant Studies, Speech-Language Pathology)
- Wurzweiler School of Social Work in-person programs/classes

Faculty and staff who are assigned to work in healthcare facilities (such as the Parnes Clinic) or required by their job responsibilities to supervise and observe students at clinical sites, also must be fully vaccinated and have at least one booster dose.

Please note that all students are still required to submit proof of MMR (Measles, Mumps, and Rubella) immunizations as per NYS law.
